

REBEL[®]
PROFESSIONAL SKIN CARE

Forever 20

Lifting Spray

COSMETIC WITH INSTANT WRINKLE REDUCTION EFFECT
with hexapeptides,

Preservative free, fragrance free, without allergens, silicone free, without petrolatum
Nickel tested, Cruelty free

INDICATIONS: more or less deep wrinkles and lack of skin tonicity. Recommended for a visible and immediate lifting effect on the skin. Rebel Forever 20 instantly relaxes the wrinkles with a tensor effect visible within 3-4 minutes from its application. Ideally to be used on top of makeup, but also suitable without.

ACTIVE INGREDIENTS: Acetyl-hexapeptides modulate the release of the neurotransmitters, relaxing the gesture muscles with consequent wrinkles relaxation.

HOW TO USE (follow the steps in order):

- For better results and before applying the makeup, use the Cream and/or Serum Rebel more suitable to the skin (www.lycopenestore.com). Rebel Forever 20 should be used at the end, on top of the make up or on its own.
- If desired, do the whole makeup (except from mascara).
- Cut a cotton disc in two halves and apply half disc on each closed eye;
- By maintaining a completely relaxed expression and a with closed lips, nebulize Rebel Forever 20 through linear movements from top to bottom and from 20 cm of distance from the skin. Do not nebulize more than 3-4 times for each application.
- By keeping the facial expression completely relaxed and the eyes closed, ventilate the area of application to help it dry (a hair-dryer blowing cold air can be used to further speed up the process);
- Apply mascara if desired.
- Do not use any other cosmetics on the skin and do not rub.

ADVISORY NOTICE: rinse thoroughly in case of accidental contact with the eyes. Do not use on top of wounds, excoriations, sore and sensitive areas. During the first minute of its application it is possible to feel the skin tingling, which will disappear within seconds. Do not use on or near external mucous and oral mucous. External use only. In case of accidental ingestion, contact a doctor before taking any action. The Manufacturer / Distributor declines any responsibilities for uses outside what outlined in the HOW TO USE section.
