**ANTIAGE
AFTER SHAVING
SERUM**

FOR MEN

ANTIAGE SOOTHING MOISTURIZING SERUM

Paraben Free – Allergens Free
Mineral Oil Free – Nickel Tested
Cruelty Free

REBEL ANTIAGE AFTER SHAVING SERUM is tailored for every men's skin. It soothes and alleviates the irritations caused by shaving, giving an instant feeling of wellbeing and relief. Reduces tightness and promotes skin renewal. Prevents the formation of free radicals and effectively contains ageing. Effectively protects from UV rays. Its instant-absorption & delicate formula deeply moisturizes the skin, containing the shiny and oily effect and minimizing the risk of sensitization.

PROPERTIES

Multivitamin complex B3, B5, B6, C & E, performs an effective stimulating, antiage and anti wrinkle action. Bisabolol and Liquorice Extracts decongest and brighten the skin. Aloe Vera gives instant soothe and relief. Sweet Almond Oil and Wheat Germ Oil nourish and protect the skin. Hyaluronic Acid with filler-like action helps reduce the appearance of wrinkles. Sodium PCA and Sodium Lactate moisturize the skin. Lycopene from Tomatoes protects the skin from the damaging action of UV radiations, number one cause of skin aging. Oleanolic Acid and Enantia Chlorantha Extracts eliminate the shiny effect from the skin by regulating the production of sebum, but also naturally soothe the skin.

HOW TO USE

After shaving, apply the serum on dry skin and massage it until absorbed. For delicate and sensitive skin, two applications per day are recommended (at morning and night).

ADVISORY NOTICE

Do not apply on or near wounds and sensitized areas. If the product gets in the eye, rinse thoroughly with water. External use only. Keep away from the reach of children. In case of accidental ingestion, contact your doctor. Store in a cool and dry place, away from heat and direct sunlight. The manufacturer / distributor declines any responsibilities for unintended uses outside of the HOW TO USE section.
